SSA
SANTOS SECURITY ADVISORY
ASSESS · PRIORITISE · PROTECT

SERVICE FLYER | FLEXIBLE

Complex questions. Clear decisions. Confident delivery.

Physical security advisory creates professional clarity when concepts must be developed, decisions prepared, requirements defined or protection measures implemented.

01 Assessment
Questions, risks and options are evaluated independently and explained clearly.

02 Requirements
Processes, systems and providers receive clear, vendor-neutral requirements.

03 Support
Decisions, proposals and implementation steps are professionally supported and reviewed.

FOR CONCEPTS, PROJECTS, PROCUREMENT AND SPECIALIST QUESTIONS

INDEPENDENT PHYSICAL SECURITY ADVISORY

Independent advice. Sound decisions.

Security Advisory creates clarity for concepts, projects and procurement. Questions are analysed professionally, options compared by risk, effectiveness and commercial value, and decisions supported through implementation.

SUITABLE FOR

- Concept and project reviews
- Procurement and provider comparisons
- Security organisation and processes
- Clearly defined specialist questions

WHAT YOU RECEIVE

Assessment	Risks, options and decision needs are evaluated independently.
Clear requirements	Requirements for processes, systems or providers are defined without bias.
Implementation	Decisions, proposals and delivery steps receive professional support.

Typical questions

- Security concepts and specifications
- Access control and permissions
- Video surveillance and alarm systems
- Proposal and option comparison
- Provider coordination
- Emergency organisation and investigations

Process

01 Clarify
Define the objective, decision need and expected outcome.

02 Review
Assess documents, proposals or processes professionally.

03 Evaluate
Compare options by risk, effectiveness and commercial value.

04 Support
Provide a clear recommendation or support implementation.

DESCRIBE YOUR SECURITY QUESTION

A short description quickly establishes the advisory need, expected outcome and appropriate scope.

Vendor-independent, with no products to sell and no commissions.
