SERVICE FLYER | SHARING KNOWLEDGE

Security knowledge. Clear and engaging. Ready to apply.

Training, workshops and specialist talks turn complex security topics into clear connections, practical decisions and actionable next steps.

SÉRGIO SANTOS

TRAINER | SPEAKER

SPECIALIST AUTHOR

01 Practical

Realistic situations and relatable examples instead of abstract theory.

02 Clear

Complex connections are structured and communicated in an accessible way.

03 Transfer

Participants leave with useful frameworks and concrete next steps.

FOR EXECUTIVE TEAMS, SECURITY RESPONSIBLE PERSONS AND EMPLOYEES

TRAINING, WORKSHOPS AND SPECIALIST TALKS

Understand. Put it in context. Act with confidence.

Every format is tailored to the audience, prior knowledge and intended effect. The focus is not abstract theory, but clear decisions and practical application in everyday business.

SUITABLE FOR

- Executive teams and managers
- Security responsible persons
- Employees and project teams
- Associations and professional events

WHAT YOU RECEIVE

Right format	Training, workshop or specialist talk tailored to audience and occasion.
Clear content	Practical, structured delivery supported by relevant examples.
Real transfer	Takeaways, discussion points and next steps for everyday business.

Possible topics

- **Physical corporate security**
- **Security awareness and security culture**
- **Access, visitors and external contractors**
- **Security concepts and risk assessments**
- **Identifying weaknesses and prioritising measures**
- **Alarms and incident response**

Process

01 Clarify
Define the audience, occasion and intended effect.

02 Select
Choose the right training, workshop or talk format.

03 Tailor
Align topics, examples and priorities with the audience.

04 Deliver
Communicate clearly and secure practical knowledge transfer.

WHAT SHOULD YOUR TEAM UNDERSTAND AND APPLY?

A brief description of the audience, occasion and topic is enough to identify the right format.

Practical, audience appropriate and designed for your organisation.
